### Teen Challenge

Teen Challenge is a comprehensive Christian-based solution to life-controlling drug and alcohol problems. By applying biblical principles, Teen Challenge helps people to become mentally sound, emotionally balanced, socially adjusted, physically well and spiritually alive. God has been using teen Challenge to restore hope for men and women for over 50 years. The 16 Teen Challenge Centres across Canada are affiliated with more than 1,000 locations in over 80 Countries. After graduating from the program, an Internship program provides opportunities for continued spiritual and work-related training.
