Final Song

Benediction

The Gospel Coalition has regional chapter here in Ontario. Our hope and prayer is to see God bring together people from all across our region committed to gospel-centered ministry for the next generation. Through prayerful collaboration, we long to see the gospel strengthen our churches, reach the lost, and shine brightly in our communities – all to the glory of God. The goal is to develop gospel-centered friendships with others – to pray for each other, and to strategize how we can best reach this area with the gospel.
