**“The ideal of the Corinthian was the reckless development of the individual. The merchant who made his gain by all and every means, the man of pleasure surrendering himself to every lust, the athlete steeled to every bodily exercise and proud in his physical strength, are the true Corinthian types; in a word the man who recognized no superior and no law but his own desires.”**

- Quoted by Leon Morris (Source: Von Dobschutz, *Die urchr. Gemeinde*, p. 18)

**New in the Rosedale Library:**

**Woodlawn (DVD):** A gifted high school football player must learn to embrace his talent while battling racial tensions on and off the field in 'Woodlawn'. A moving and inspirational film based on a remarkable true story
