## CARNAL CHRISTIANS ?

Benediction

“The ‘Carnal Christian’ teaching was invented to accommodate all the supposed converts of modern evangelism. An explanation was needed for the thousands and thousands of people who are products of an evangelism that leaves out Bible repentance from their evangelistic message. I am referring to those who ‘make decisions,’ walk aisles and make professions of being Christians, but their lives have never been changed by the power of the Holy Spirit. Therefore, they do not love what Christians love and hate what Christians hate. They think, act and live like non-Christians, but their teachers must have some explanation for their unchanged lives. Thus the unbiblical category of ‘Carnal Christian’ was invented.”
