Dear Friends, Family & Acquaintances of Aileen John:

We are pleased to inform you that Aileen has been accepted as a Career missionary candidate with Northern Canada Evangelical Mission effective March 26, 2013. Upon the completion of her missionary training and partnership development she will be accepted as a full member.

Aileen will be developing her support team until she begins her missionary training in the fall at the New Tribes Mission Missionary Training Center.

NCEM places a heavy emphasis on prayer since we realize its importance and effect in the life of every missionary. We believe it is vital for Aileen to have a strong prayer support team, and would value your partnership with her in that regard.

Since NCEM is a faith mission, all candidates are required to raise their own financial support before beginning their ministry assignment. NCEM will be able to receipt all donations for Aileen while she is doing her candidacy including during her training. The monthly support level for Aileen has been set at \$3,600/month(Canadian). We are praying along with Aileen that her monthly support level will be pledged before beginning her service with NCEM. This amount may seem high to many of us but it is because most of the church multiplication teams with NCEM are going into northern communities where the cost of living is much higher than in the south.

Aileen will be required to take an 18 month training course at the New Tribes Mission Missionary Training Center in either Durham, ON/Roche, MI. The cost of the program will be approximately \$8,600(CAD)/\$7,600(US) plus travel, food and personal expenses.

If you are interested in the ministry to which God has called Aileen, and would like to partner with her financially and/or by prayer, we would be pleased to hear from you. All qualifying donations receive an official receipt for tax purposes.

Donors in Canada may give by cheque, post-dated cheques, money order, credit card, on line at www.ncem.ca (follow the links for donations) or pre-authorized giving (electronic funds transfer). Cheques should be made payable to Northern Canada Evangelical Mission or NCEM. **On a separate piece of paper indicate that the donation is for the ministry of Aileen John.** Canadian donations should be mailed to NCEM Headquarters in Prince Albert, SK. For those who prefer pre-authorized or credit card giving, please contact NCEM Headquarters for details.

Donors in the United States may give by check, post-dated checks, money order, pre-authorized giving (electronic funds transfer/ACH) or on line at www.ncem.ca (Canadian receipts only for online donations). We regret credit card giving is not yet available to US donors. Checks should

be made payable to Northern Canada Evangelical Mission or NCEM. **On a separate piece of paper indicate that the donation is for the ministry of *Aileen John*.** US donors please mail your donations to NCEM's US office in Billings, Montana.

Your prayer fellowship and financial support for Aileen is deeply appreciated as she takes her training and later is assigned to a team and field of ministry. We at NCEM look forward to her partnership with us in reaching Canada's First Nations People with the Gospel.

Cordially In Christ,

Pat Elford
